Phone: (954) 255-6045

Construction Cost: \$10,000,000.00

The Chappell Group, Inc. provided environmental resource permitting assistance to DeGirolmo & Associates, Inc. for the construction LEED certified ice arena and hockey training facility.

Permitting services included a wetland assessment and storm water permitting assistance, through agencies including South Florida Water Management District, U.S. Corp. of Engineers and Broward County Environmental Protection & Growth Management Department.

Construction completed in October 2009.
