The Chappell Group, Inc. has been subcontracted by IBI Group, Inc. to perform Phase I Environmental Site Assessments of several School Board of Broward County schools. The objective of a Phase I ESA is to identify recognized environmental conditions associated with the subject property and adjacent properties. TCG conducts aerial reviews, site inspections, and file review for hazardous and petroleum contaminants that may be a potential impacts to the soil and groundwater of the subject site.

The Chappell Group, Inc. performed these tasks for IBI Group, Inc. and the School Board of Broward County through December 2008.
