The Chappell Group, in conjunction with Craven Thompson & Associates, Inc. (CTA) has been contracted by the City of Sunrise to design and permit three (3) passive parks. The specific passive parks are: Oakland Park Boulevard Passive Park, NW 44th Street Passive Park, and Nob Hill Passive Park. TCG is responsible for all due diligence, wetland mitigation design, and environmental permitting in association with the creation of the passive parks.

The Chappell Group, Inc. will perform these tasks for the City of Sunrise from January 2009 to January 2011.
